

## MANAGERS PAGE

### **INSURANCE WAIVERS**

All players, managers, coaches, players, and anyone who is on the bench or on the field is required to sign the NSA roster and the Gordy Mac McFarland Sports Complex insurance waver before the first game starts. When your team has a player show up for later games please have him/her come to the concession stand and sign the insurance waver.

**ENTRY FEE** is due in cash before your first game.

### **BRINGING IN FOOD AND DRINK**

Gordy "Mac" McFarland Sports Complex is not a public park. There are rules prohibiting bringing in food and drink, and this includes the parking lot. If your team is bringing in food or drink your team will play with 9 players the next game or finish the game that is being played with 9 players or asked to leave. If you do not think that your team can respect this policy it would be better if your team would play at a complex that does not have a policy like this. There is food and drink for sale in the concession stand. There is even a kid's menu. This means bottled water, Gatorade, soda, burgers, fries, etc. An easy way to remember this is, **IF YOU CAN EAT IT OR DRINK IT DO NOT BRING IT.**

If you are under 21 and you are caught drinking an alcoholic beverage you will be asked to leave the park for the rest of the year. If you are 21 or older and you are caught giving someone under 21 an alcoholic drink you will be asked to leave for the rest of the year.

If you would like to be notified when tournaments are being held at Gordy "Mac" McFarland Sports Complex please fill this out.
